Professional Profile

Frontend Developer with over a year of commercial experience working under the guidance of a senior developer. I have co-created client-facing projects (e.g., nimbleninja.pl, piotrchojankowski.pl) and developed both personal and open-source applications (Insta Coffee, Uni Swipe). My preferred stack includes Next.js, Tailwind CSS, SQLite, and shadcn/ui. I'm a fast learner, eager to explore new technologies, and not afraid of challenges. I'm also passionate about web design and have worked on several UI-focused projects. Currently studying Computer Science at Poznan University of Technology. Fluent in English.

Technical Skills

HTML5, CSS3, JavaScript (ES6+)
React.js, Next.js, Vue.js
Tailwind CSS, shadcn/ui
SQLite, REST API
Git, GitHub
WordPress
Figma

Responsive Web Design (RWD)
Basic SEO

Languages

Polish – native
English – fluent (C1)

Soft Skills

Fast learner with strong adaptability
Highly motivated and self-driven
Team communication (code reviews)
Problem-solving and proactive mindset

Professional Experience

Frontend Developer (freelance / collaboration)
2023 – present

Working in a small team under senior developer Sławomir Woźniak on commercial frontend projects:
- nimbleninja.pl - WordPress
- piotrchojankowski.pl - HTML5, Tailwind, JavaScript
- slawomir-wozniak.pl - Nuxt.js, Tailwind

Responsibilities:
- Building interfaces with Next.js and Tailwind CSS
- Designing and implementing user interfaces using Figma and collaborating with the team to ensure consistency and responsiveness.
- Creating reusable UI components (shadcn/ui)
- API integration
- SEO optimization and responsive design

Projects

Uni Swipe – Tinder-like app for students
Helps high school graduates choose their university path.
Stack: Next.js, Tailwind CSS, SQLite

Insta Coffee – Instagram automation tool
Open-source app for boosting reach via automated follows, likes, and DMs.
Bot: Deno, TypeScript, SQLite
Web: Next.js, Tailwind CSS, SQLite, shadcn/ui

studenckieoceny.com - student feedback platform
A platform for students to rate university courses and lecturers.
Stack: Next.js, Tailwind CSS, SQLite, shadcn/ui

Education

Poznan University of Technology
Bachelor's in Computer Science (2024 – present)
Automation and Robotics – partially completed (2.5 years)
